Checklist

- Download iTunes** for your computer and create an **Apple ID and Password** if you haven't got one (we advise you **NOT to tell your child** the Apple ID/Password). You can choose to use an existing Apple ID in order to share apps or setup Family Sharing.
- Ensure that your child understands they are **NOT to share** their iPad with other students.
- Ensure that your child understands that they are not capture photo, video or audio unless advised to do so by their class teacher.
- Ensure your child understands that if their regular teacher is away, **the iPads may be expected to be locked away**. Students must not negotiate otherwise with relief teachers.
- Have purchased a **protective cover** and water resistant carry bag sleeve for your child's iPad.
- It is advised that your child child's iPad is in a different compartment to their drink bottle (in school bag).
- Download the required apps** (noted in this document). Apps may require a user name and password to be created, there **is no need to do so** unless requested by your child's teacher.
- Wireless setup** to access the school Wi-Fi will be airdropped to your child's iPad during the first week of the school year.
- Ensure the iPad is fully charged for school each day.

Please see your class teacher or visit the Connect Tech is you experience difficulty with any items on the list
